Thoughts of the Day

The more desperate thy disease, the greater is the glory of thy *physician*, who hath perfectly cured thee. (Abraham Wright)

God had an only Son, and He was a missionary and a *physician*. (David Livingstone)

Christ is never fully valued, until sin is clearly seen. We must know the depth and malignity of our disease, in order to appreciate the great *Physician*. (JC Ryle)

Christ is the Good *Physician*. There is no disease He cannot heal; no sin He cannot remove; no trouble He cannot help. He is the Balm of Gilead, the Great *Physician* who has never yet failed to heal all the spiritual maladies of every soul that has come unto Him in faith and prayer. (James H Aughey)

It is the greatest and dearest blessing that ever God gave to men, that they may repent; and therefore to deny or to delay it is to refuse health when brought by the skill of the *physician*, (Jeremy Taylor)

How sweet the name of Jesus sounds, In a believer's ear! It soothes his sorrows, heals his wounds, And drives away his fear. (John Newton)

Begin to rejoice in the Lord, and your bones will flourish like an herb, and your cheeks will glow with the bloom of health and freshness. Worry, fear, distrust, care-all are poisonous! Joy is balm and healing, and if you will but rejoice, God will give power. (AB Simpson)
